Professional Development Day 2017

What is it?

This is *the* event for Project Manager Professionals and Business Leaders to learn new knowledge and network with others in the industry. You will also learn how today's project management trends can be incorporated to advance your professional development. Networking is an enormous part of the event; the community aspect is huge!

Who Should Attend?

Everyone that wants to learn what's going on in the industry, find out what strategies your peers are implementing, and discover how they are tackling similar issues we are facing. In short, if you want to learn new strategies and solutions to solve some of your biggest challenges.
